

## Table of Contents

### Chapter 1: IP-Centric Design Flow

Introduction .....	5
Navigating Content by Design Process .....	8
IP Terminology .....	8
IP Packager .....	9
IP Integrator .....	10
Using Revision and Source Control .....	10
Using Encryption .....	10

### Chapter 2: IP Basics

Introduction .....	11
Using IP Project Settings .....	12
Using the IP Catalog .....	20
Creating an IP Customization .....	27
Instantiating an IP .....	36
Understanding IP States Within a Project .....	39
Managing IP Constraints .....	39
Setting the Target Clock Period .....	43
Synthesis Options for IP .....	47
Simulating IP .....	50
Upgrading IP .....	55
Understanding Multi-Level IP .....	59
Working with Debug IP .....	61
Using a Core Container .....	63

### Chapter 3: Using Manage IP Projects

Introduction .....	70
Managed IP Features .....	71
Using the Manage IP Flow .....	71

### Chapter 4: Using IP Example Designs

Introduction .....	75
Opening an Example Design .....	75

Examining Standalone IP .....	77
<b>Chapter 5: Using Xilinx IP with Third-Party Synthesis Tools</b>	
Introduction .....	78
Third-Party Synthesis Flow .....	78
<b>Chapter 6: Tcl Commands for Common IP Operations</b>	
Introduction .....	81
Using IP Tcl Commands In Design Flows .....	81
Tcl Commands for Common IP Operations .....	83
Example IP Flow Commands .....	85
<b>Appendix A: Determining Why IP is Locked</b>	
Introduction .....	90
<b>Appendix B: IP Files and Directory Structure</b>	
Introduction .....	96
IP-Generated Directories and Files .....	96
Files Associated with IP .....	98
Using a COE File .....	98
<b>Appendix C: Using the Platform Board Flow for IP</b>	
Introduction .....	103
<b>Appendix D: Editing or Overriding IP Sources</b>	
Introduction .....	109
Overriding IP Constraints .....	109
Editing IP Sources .....	112
Editing Subsystem IP .....	113
<b>Appendix E: Additional Resources and Legal Notices</b>	
Xilinx Resources .....	115
Solution Centers .....	115
Documentation Navigator and Design Hubs .....	115
References .....	116
Please Read: Important Legal Notices .....	118
